Subject to these Terms and Conditions, there is no limit to the number of eligible products that you can request to be linked to a Package.

5. Package benefits

Eligible home loans

You will receive a discount off the indicator rate that applies to all eligible home loans that you nominate, and we accept, to be linked to the Package. The current indicator rate is published on our website. The same discount will apply regardless of total Package borrowings.

We may change the discounts at any time in accordance with clause 8.

The discount off the indicator rate will apply to your eligible home loans from the date that each eligible home loan is linked to your Package until the loan is repaid or the end of the term (whichever occurs first). If you subsequently link new home loans to your Package, the discounts applicable to any existing linked eligible home loans will not change, unless we give you notice to the contrary in accordance with clause 8.

The following fees will be waived during the term on any eligible home loan linked to the Package if the fee becomes due:

- application fee (new loans and top-ups);
- settlement fee; and
- renegotiation fee.

Other fees and charges may apply as outlined in your loan contract(s) and our *Owner Occupied and Investment Home Loan Interest Rates* brochure and *Home Loan Fees and Charges* brochure, available from our website and any branch.

Credit card annual fee waiver

We will waive any credit card annual fee for all credit card facilities linked to the Package during the term.

Personal loans

An interest rate discount will be applied during the term to all personal loan accounts that you nominate, and we accept, to be linked to the Package. The discount will be a reduction of 0.50% pa from any of our standard, advertised rates for fixed and variable rate personal loans, but will not be available in conjunction with, or in addition to, other special offers, discounts or individually negotiated rates.

Green Loan

As an eligible Package holder, you will be eligible for \$0 application fee and a discounted rate to our Green personal loan product. This discount is available to all Credit Union SA home loan members.

Eligible term deposits

An interest rate benefit will be applied during the term to all eligible term deposit accounts with a combined balance less than or equal to \$250,000 that you nominate, and we accept, to be linked to the Package. The benefit will be an additional 0.25% pa on any of our standard, advertised rates for eligible term deposits, but will not be available in conjunction with, or in addition to, other special offers or negotiated rates.

Other benefits

We may introduce additional benefits for Package holders from time to time, which may have their own eligibility criteria, restrictions and terms and conditions. We are not obliged to give you written notice of the offer or withdrawal of any additional benefits. You can find details of all current Package benefits on our website.

To receive additional benefits, you must make a request to us. We will assess your eligibility in accordance with any terms of the offer and, if we agree that you are eligible, we will apply the benefit as soon as reasonably practicable after accepting your request.

6. Annual Package fee

The Package fee is non-refundable and is payable annually in advance. The amount of the fee is set out in our *Owner Occupied and Investment Home Loan Interest Rates* brochure and *Home Loan Fees and Charges* brochure, available from our website and any branch.

The first Package fee will be charged by us to your nominated account on the date on which we apply the package benefits. Subsequent fees will be charged to your nominated account on the anniversary of the first fee charging date.

You must tell us which nominated account is to be debited with the Package fee.

We calculate interest on credit card facilities and home loans on the unpaid balance of the account at the end of each day, or the net unpaid balance of the account at the end of each day if you have an offset facility attached to your nominated home loan account. This means that you will be charged interest on the amount of each annual Package fee debited to your nominated credit card facility or nominated home loan account in accordance with the terms and conditions of the credit card facility or home loan. *To minimise the amount of interest payable on the annual Package fee, we recommend that you make an additional payment to your nominated credit card facility or nominated home loan account, of an amount equal to the annual package fee, as soon as possible after the fee has been debited.*

All Package holders are jointly and severally liable for the Package fee. If you close your nominated credit card facility or nominated home loan account, or there are insufficient funds to debit the fee to your nominated credit card facility or nominated home loan account, we may debit the Package fee to any account held by any Package holder or elect to cancel your Package in accordance with clause 7.

7. Cancellation of the Package

You may cancel your Package at any time by completing our Package cancellation form (available on request). All Package holders must sign the form. The cancellation will take effect when we receive a properly completed form.

We may cancel your Package by giving you 20 days written notice if:

- you do not pay the Package fee when it is due;
- you are in default under any credit contract you have with us;
- you no longer hold a linked eligible home loan with all Package holders as co-borrowers; and/or
- you do not fulfil any of your other obligations under these Terms and Conditions, or the Terms and Conditions applicable to any eligible product linked to the Package and your failure to fulfill that obligation exposes us to material risk.

Subject to clause 8, you will remain liable to pay in full any Package fee which has fallen due before cancellation takes effect.

We may also cancel your Package at any time by giving you written notice. If we elect to do so, we will provide you with a pro-rata refund of your last charged Package fee.

Package benefits will be discontinued immediately on the date of cancellation.

8. Changes to the Package and these Terms and Conditions

We are committed to continually improving the benefits offered as part of your Package. As a consequence, we may change any of these Terms and Conditions, including any of the Package benefits at any time. The Package benefits are as set out in the Terms and Conditions current at that time.

We will give you written notice at least 30 days before the change takes effect if we intend to introduce a new fee or charge.

For all other changes, other than the introduction of any additional benefits under clause 5, we will give you notice no later than the day on which the change takes effect by advertisement in local or national media, or by writing to a Package holder.

If we materially reduce the benefits available under the Package and you elect to cancel your Package in accordance with clause 7, we will provide you with a pro-rata refund of your last charged Package fee.

9. Service of notices

If there is more than one Package holder, we may send notices and other documents relating to the Package (including notification of a change to these Terms and Conditions) by notifying them to any Package holder we select at their last known address and they will be taken to have been given to all Package holders.

10. Customer Owned Banking Code of Practice
