Quick help guide

Updating Visa Card PIN in our Mobile Banking App

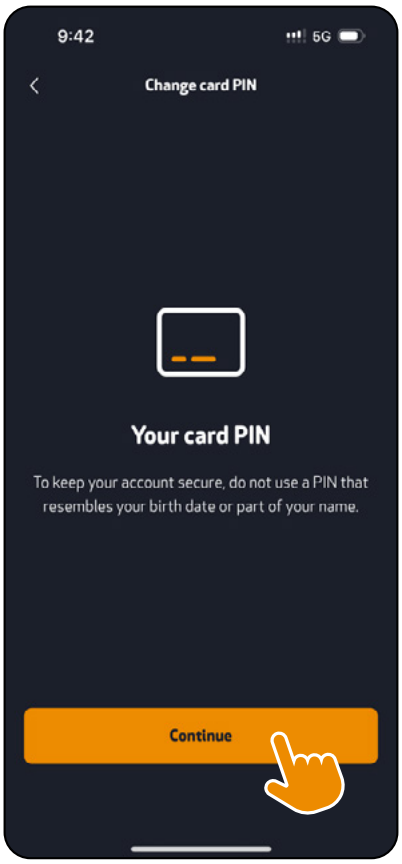

1. Tap the **menu button** (≡) located in the top-right corner.
2. Tap **Cards management**
3. Tap **Change card PIN**

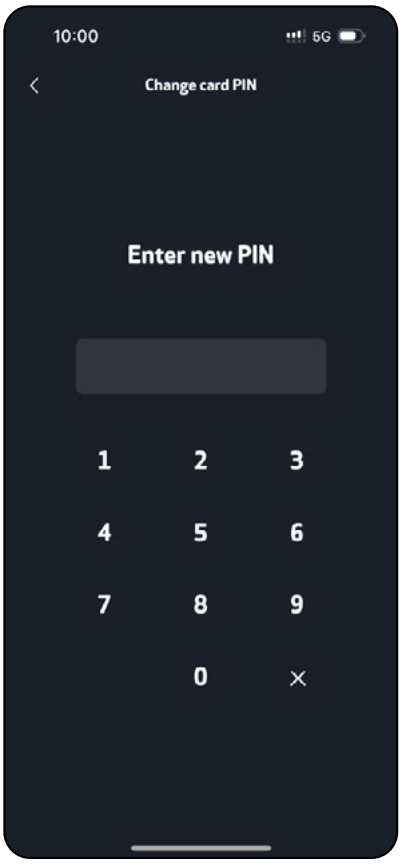

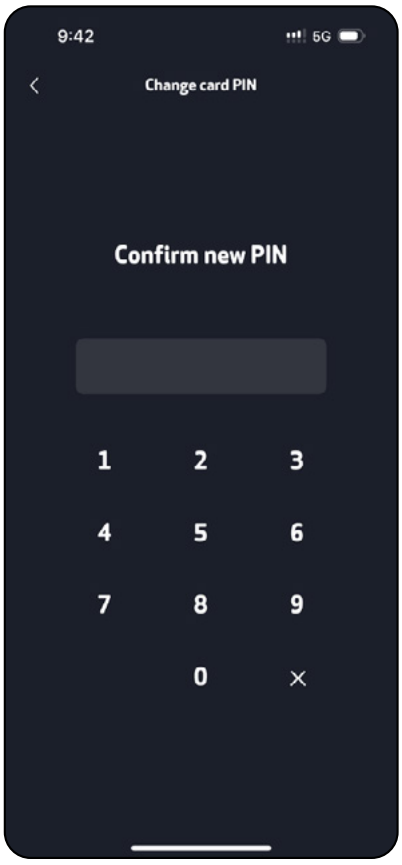

4. Tap **Continue**

5. Enter new PIN, ensuring that it meets our strength & security requirements
6. Re-enter the new PIN

7. Once complete, it will reload with a success message at the top of your screen.
